EXPERIENCE

Siemens Energy, Inc.

Orlando, FL | October 2019 – Present

Engineering & Business Process Analyst Intern

- Present a market strategy to executives explaining the importance of hydrogen as an energy source for business needs
- Collaborate with two senior analysts in order to discover ways to increase workforce efficiency with the use of Tableau
- Assist in the replatforming of all IDEA modules utilized and integrate into a single .net platform
- Perform complex and ad hoc analysis to support business decisions alongside senior analysts

LSQ Funding

Orlando, FL | May 2019 – August 2019

Data & Risk Analyst Intern

- Implemented financial decisions that are based on funding portfolios of clients while minimizing liability exposure
- Analyzed account receivables procedures to anticipate potential future risk with clients, reducing insurance cost by 7%
- Utilized SQL and Tableau techniques to create analysis reports in order to improve company efficiency in reducing risk
- Developed a statistical, analytical approach classifying clients on risk platforms to determine whether to fund clients

Boujee Boba

Orlando, FL | March 2017 – October 2019

Co-Founder and Chief Financial Officer

- Created America's First company to bottle sweet, popular Boba tea and lemonade drink available in retail
- Managed the company with two other co-founders to generate revenue of about \$30,000 per year
- Used economies of scale to decrease per-unit production costs by about 26% since company founding
- Increased demand of organic lemonade with five varied flavors, leading to an expansion of ten stores in Orlando
- Managed existing 10 vendors as well as communicated with new vendors and design contract securities

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

ALPFA UCF (Association of Latino Professionals For America)

Orlando, FL | September 2019 – Present

App Development Lead

- Introduce and create Application platform for ALPFA in order to eliminate communication gaps between members
- Recruit 7 individuals to assist in the development of an application for ALPFA UCF
- Design schedule and deadlines for Application Developers in order to accomplish tasks before deadlines
- Coordinate time slots for weekly calls in order to keep application development up to par

Young Investors Club

Orlando, FL | September 2019 – Present

Junior Energy Research Analyst

- Analyzed potential future investment opportunities of NextEra Energy for an audience exceeding 100 members
- Performed analytical research in order to justify and negate when to invest into Energy stocks

ALPFA UCF (Association of Latino Professionals For America)

Orlando, FL | August 2017 – Present

Corporate Relations Committee

- Work with a team of 15 in order to secure speakers that deliver presentations for the club's weekly meetings
- Network with Fortune 500 firm representatives on professional development topics on a weekly basis
